This memo is in response to your letter dated January 6, 2015 regarding the Citizens for Turner 2014 Post-General report.

With regard to the three individuals who had exceeded the contribution limit, each of these were remedied in the 2014 year end report.

Refunds were issued to Mr. Jerad Barnett (\$100) and Mr. Sevet S. Keskin (\$2,400) after it was discovered that they had exceeded the limits. This is reflected on page 21 of the 2014 year-end report.

A re-attribution was obtained for Mr. Yavez Koruk. \$2,400 of this contribution was re-attributed to Mrs. Nevryie Korik, his spouse, who is a joint account holder. This is reflected on page 5 of the 2014 year-end report.
